Carenity achieves the Best Place To Work certification in France

Paris, March 30th 2021, Carenity, a global digital patient platform with more than 500 000 active members in Europe and in North America, has recently been recognized as one of the best places to work for in France. During the assessment, the company received outstanding scores across several aspects of their workplace, such as diversity, growth opportunities, relationships and culture resulting in its recognition among the employers of choice in France.

Best Places to Work is an international certification program, considered as the 'Platinum Standard' in identifying and recognizing top workplaces around the world, providing employers the opportunity to learn more about the engagement and the satisfaction of their employees and honor those who deliver an outstanding work experience with the highest standards in regards to working conditions.

"I am proud that Carenity has been recognized as "Best Place to Work". This is a reflection of our continuous efforts to provide the best possible working environment for our teams, and to attract and retain the best talent. I especially thank the fantastic Carenity team for their trust and commitment and assure them that we will continue to invest in making our work environment better" **said Michael Chekroun, Founder of the company.**

"Despite the context of the Covid 19, Carenity continued to show the importance of caring about the employees offering a rewarding employee experience with unique opportunities to grow"" **said Hamza Idrissi, Program Manager for France.**
